

Dear Louise:

I arrived home safely, back to Grandma's and home. We got up to Grandma's around 6 o'clock. Pop got down there around 9.

Many thanks for the nice time I had. I don't know whether or not I thanked you ~~or not~~ when I left, but anyway I meant to.

Your marks haven't come yet.

Pop said this morning that he thought that he would buy a trunk, but it wouldn't be yours, it would be a general trunk.

Mrs. Raschleigh fell Monday morning and she just sprained herself all over for the next morning. She couldn't walk. Alice stayed home Tuesday morning because ~~her~~ her mother couldn't walk and Mrs. Stevenson was sick with the grip. 102
